We are currently under construction and anticipate to open July/August of 2018. We will be able to confirm the date once construction nears completion. The center will serve approximately 24 children, will feature new furnishings and equipment and provide a calm ideal environment to help children achieve their full potential.

Our program will be licensed and accredited for children between the ages of 3 years to 6 years of age. Our operational hours will be from 7am to 6pm, Monday to Friday, with closures for statutory holidays.

Following is the fees schedule:

Age Group	Part time (3 days)	Full Time
